Note:

The IPv6 Ready Logo Committee announces on 2017/01/18 that CE Router applications received will be assessed a \$1500 US dollar examination fee and all other applications such as Core, DHCPv6, SNMP, IPSec will be assessed a \$500 US dollar examination fee. The Examination lab may choose to waive this fee if the test results were performed at an approved lab as the fee may be covered under testing service fees.

To be fully qualified for this fee waive with CHT-TL IPv6 Testing Lab, you must select Taiwan as the country name (provide the Taiwan office address), perform the test in CHT-TL IPv6 Testing Lab and select CHT-TL IPv6 Testing Lab as the examination lab.
